

Public Hearings Regarding State Environmental Expert Evaluation Subjects in 2019-2022

Requested by	Time	Venue	Expert Evaluation Subjects	Participants
Volkhov Branch of JSC Apatit	17 May 2019 at 2 pm	Volkhov Municipal District Administration at: Leningrad region, Volkhov, Kirovsky pr., 32, off. 215.	Project documentation "Sulphuric Acid Storage Reconstruction", including environmental impact assessment materials	198 participants, public representative - Chairman of the Council of Entrepreneurs of Volkhov and Volkhov Municipal District of Leningrad Region - Y.B. Kozinov
Volkhov Branch of JSC Apatit	17 May 2019 at 3 pm	Volkhov Municipal District Administration at: Leningrad region, Volkhov, Kirovsky pr., 32, off. 215.	Project documentation "Upgrade of Wet-Process Phosphoric Acid Production to 450,000 tpa", including environmental impact assessment materials	185 participants, public representative - Chairman of the Council of Entrepreneurs of Volkhov and Volkhov Municipal District of Leningrad Region - Y.B. Kozinov
Volkhov Branch of JSC Apatit	17 May 2019 at 4 pm	Volkhov Municipal District Administration at: Leningrad region, Volkhov, Kirovsky pr., 32, off. 215.	Project documentation "Construction of a 800,000 tpa Technological System for the Production of Sulfuric Acid", including environmental impact assessment materials	182 participants, public representative - Chairman of the Council of Entrepreneurs of Volkhov and Volkhov Municipal District of Leningrad Region - Y.B. Kozinov
JSC Apatit	13 September 2019 at 2 pm	JSC Apatit Plant Management Assembly Hall at: Vologda region, Cherepovets, Severnoe Shosse, 75	Project documentation, including materials re. environmental impact assessment of the planned economic activity, and terms of reference for the development of project documentation subject to environmental expert evaluation: "3,300 tpd Sulfuric Acid Production Plant"	39 participants, public representative - M.Y. Glebov
JSC Apatit	13 September 2019 at 3 pm	JSC Apatit Plant Management Assembly Hall at: Vologda region, Cherepovets, Severnoe Shosse, 75	Project documentation, including materials re. environmental impact assessment of the planned economic activity, and terms of reference for the development of project documentation subject to environmental expert evaluation: "UKL-7-76M N1 Unit with the Capacity of 135,000 Tons of Nitric Acid Monohydrate per Year. UKL-7-76M N2 Unit with the Capacity of 135,000 Tons of Nitric Acid Monohydrate per Year".	40 participants, public representative - M.Y. Glebov
Volkhov Branch of JSC Apatit	14 October 2019 at 2 pm	Volkhov Municipal District Administration at: Leningrad region, Volkhov, Kirovsky pr., 32, off. 215.	Project documentation (PD) "490 t Liquid Ammonia Storage (LAS)", including preliminary Environmental Impact Assessment (EIA) materials and Terms of Reference for Environmental Impact Assessment (TOR)	190 participants, public representative - Chairman of the Council of Entrepreneurs of Volkhov and Volkhov Municipal District of Leningrad Region - Y.B. Kozinov
JSC Apatit	27 November 2019 at 2 pm	JSC Apatit Plant Management Assembly Hall at: Vologda region, Cherepovets, Severnoe Shosse, 75	Draft Technical Documentation (TDD) for "Nitrogen-Phosphorus-Potassium Sulphur-Containing Fertilizer, grades: NPK(S) 13-17-17(6); NPK(S) 13-17-17(6)+0.15B+0.6Zn; NPK(S) 15-15-15(10)" (registered by JSC Apatit), including Environmental Impact Assessment (EIA) materials and Terms of Reference for Environmental Impact Assessment (TOR)	190 participants, public representative - Chairman of NGO - United Trade Union Organization Phosagro-Cherepovets - D.M. Brodkov
Balakovo Branch of JSC Apatit	27 November 2019 at 3 pm	Municipal autonomous cultural institution "Concert organization "M.E. Siropov City Art Center" of Balakovo municipality at: Saratov region, Balakovo, ul. Kommunisticheskaya, 124	Draft Technical Documentation (TDD) for "Nitrogen-Phosphorus-Potassium Sulphur-Containing Fertilizer, grades: NPK(S) 13-17-17(6); NPK(S) 13-17-17(6)+0.15B+0.6Zn; NPK(S) 15-15-15(10)" (registered by JSC Apatit), including Environmental Impact Assessment (EIA) materials and Terms of Reference for Environmental Impact Assessment (TOR)	190 participants, public representative - representative of the HCW Union District Organization - L.N. Treshchova
JSC Apatit	26 December 2019 at 2 pm	JSC Apatit Plant Management Assembly Hall at: Vologda region, Cherepovets, Severnoe Shosse, 75	Draft Technical Documentation (TDD) for "Nitrogen-Phosphorus Sulphur-Containing Fertilizer, grades: NP+S=20:20+14, NP+S=20:20+14+0.4Zn" (registered by JSC Apatit), including Environmental Impact Assessment (EIA) materials and Terms of Reference for Environmental Impact Assessment (TOR)	33 participants, public representative - representative of NGO - United Trade Union Organization Phosagro-Cherepovets - A.A. Treskina

JSC Apatit	26 December 2019 at 2:30 pm	JSC Apatit Plant Management Assembly Hall at: Vologda region, Cherepovets, Severnoe Shosse, 75	Draft Technical Documentation (TDD) for "Nitrogen-Phosphorus-Potassium Sulphur-Containing Fertilizer, grades: NPK(S) 12-20-18(5); NPK(S) 12-20-18(5)+0.3B; NPK(S) 12-30-12(1); NPK(S) 12-32-12(1); NPK(S) 12-32-16(1)" (registered by JSC Apatit), including Environmental Impact Assessment (EIA) materials and Terms of Reference for Environmental Impact Assessment (TOR)	33 participants, public representative - representative of NGO - United Trade Union Organization Phosagro-Cherepovets - A.A. Treskina
JSC Apatit	26 December 2019 at 3 pm	JSC Apatit Plant Management Assembly Hall at: Vologda region, Cherepovets, Severnoe Shosse, 75	Draft Technical Documentation (TDD) for "Commercial-Grade Ammoniacal Liquor, grade B" (registered by JSC Apatit), including Environmental Impact Assessment (EIA) materials and Terms of Reference for Environmental Impact Assessment (TOR)	33 participants, public representative - representative of NGO - United Trade Union Organization Phosagro-Cherepovets - A.A. Treskina
Balakovo Branch of JSC Apatit	26 December 2019 at 1 pm	Health and fitness center at Balakovo branch of JSC Apatit at: Saratov region, Balakovo district, Bykov Otrog village, proezd Khimikov, 1	Draft Technical Documentation (TDD) for "Nitrogen-Phosphorus Sulphur-Containing Fertilizer, grades: NP+S=20:20+14, NP+S=20:20+14+0.4Zn" (registered by JSC Apatit), including Environmental Impact Assessment (EIA) materials and Terms of Reference for Environmental Impact Assessment (TOR)	123 participants, public representative - Chairman of the Council of Entrepreneurs of Volkhov and Volkhov Municipal District of Leningrad Region - Y.B. Kozinov
Balakovo Branch of JSC Apatit	26 December 2019 at 3 pm	Health and fitness center at Balakovo branch of JSC Apatit at: Saratov region, Balakovo district, Bykov Otrog village, proezd Khimikov, 1	Draft Technical Documentation (TDD) for "Nitrogen-Phosphorus-Potassium Sulphur-Containing Fertilizer, grades: NPK(S) 12-20-18(5); NPK(S) 12-20-18(5)+0.3B; NPK(S) 12-30-12(1); NPK(S) 12-32-12(1); NPK(S) 12-32-16(1)" (registered by JSC Apatit), including Environmental Impact Assessment (EIA) materials and Terms of Reference for Environmental Impact Assessment (TOR)	56 participants, public representative - representative of the HCW Union District Organization - L.N. Treshchova
Volkhov Branch of JSC Apatit	27 January 2020 at 4 pm	Volkhov Municipal District Administration at: Leningrad region, Volkhov, Kirovsky pr., 32, off. 215.	Project documentation "Reconstruction of Mineral Fertilizer Production, Section 3, at Volkhov Branch of JSC Apatit with Transition to Monoammonium Phosphate Production with an Exhaust Pipe and Finished Product Conveyor Gallery", including preliminary Environmental Impact Assessment (EIA) materials and Terms of Reference for Environmental Impact Assessment (TOR)	38 participants, public representative - representative of the HCW Union District Organization - L.N. Treshchova
Volkhov Branch of JSC Apatit	31 March 2020 at 4 pm*	Volkhov Municipal District Administration at: Leningrad region, Volkhov, Kirovsky pr., 32, off. 215.	Project documentation (PD) "Reconstruction of Mineral Fertilizer Production, Section 1, with the Replacement of the Exhaust Pipe and Gas Approach", including preliminary Environmental Impact Assessment (EIA) materials and Terms of Reference for Environmental Impact Assessment (TOR)	The event did not take place.
Volkhov Branch of JSC Apatit	31 March 2020 at 5 pm*	Volkhov Municipal District Administration at: Leningrad region, Volkhov, Kirovsky pr., 32, off. 215.	Project documentation "15,000 t Mineral Fertilizer Storage", including preliminary Environmental Impact Assessment (EIA) materials and Terms of Reference for Environmental Impact Assessment (TOR)	The event did not take place.
Volkhov Branch of JSC Apatit	23 June 2020 at 5 pm	Volkhov Municipal District Administration at: Leningrad region, Volkhov, Kirovsky pr., 32, off. 215.	Project documentation (PD) "15,000 t Mineral Fertilizer Storage", including preliminary Environmental Impact Assessment (EIA) materials and Terms of Reference for Environmental Impact Assessment (TOR)	42 participants, public representative - Chairman of the Council of Entrepreneurs of Volkhov and Volkhov Municipal District of Leningrad Region - Y.B. Kozinov
Volkhov Branch of JSC Apatit	23 June 2020 at 4 pm	Volkhov Municipal District Administration at: Leningrad region, Volkhov, Kirovsky pr., 32, off. 215.	Project documentation (PD) "Reconstruction of Mineral Fertilizer Production, Section 1, with the Replacement of the Exhaust Pipe and Gas Approach", including preliminary Environmental Impact Assessment (EIA) materials and Terms of Reference for Environmental Impact Assessment (TOR)	42 participants, public representative - Chairman of the Council of Entrepreneurs of Volkhov and Volkhov Municipal District of Leningrad Region - Y.B. Kozinov

Volkhov Branch of JSC Apatit	26 June 2020 at 2 pm	Volkhov Municipal District Administration at: Leningrad region, Volkhov, Kirovsky pr., 32, off. 215.	Project documentation (PD) "Volkhov Branch of JSC Apatit" Phosphate Rock Unloading Unit at Wet-Process Phosphoric Acid Production. Reconstruction", including preliminary Environmental Impact Assessment (EIA) materials and Terms of Reference for Environmental Impact Assessment (TOR)	36 participants, public representative - Chairman of the Council of Entrepreneurs of Volkhov and Volkhov Municipal District of Leningrad Region - Y.B. Kozinov
Volkhov Branch of JSC Apatit	26 June 2020 at 3 pm	Volkhov Municipal District Administration at: Leningrad region, Volkhov, Kirovsky pr., 32, off. 215.	Project documentation (PD) "Phosphogypsum Conveyor", including preliminary Environmental Impact Assessment (EIA) materials and Terms of Reference for Environmental Impact Assessment (TOR)	36 participants, public representative - Chairman of the Council of Entrepreneurs of Volkhov and Volkhov Municipal District of Leningrad Region - Y.B. Kozinov
Volkhov Branch of JSC Apatit	26 June 2020 at 4 pm	Volkhov Municipal District Administration at: Leningrad region, Volkhov, Kirovsky pr., 32, off. 215.	Project documentation (PD) "Reconstruction of the Power Supply Circuit at Volkhov Branch of JSC Apatit with Replacement of 40 MVA MSDS Power Transformer", including preliminary Environmental Impact Assessment (EIA) materials and Terms of Reference for Environmental Impact Assessment (TOR)	36 participants, public representative - Chairman of the Council of Entrepreneurs of Volkhov and Volkhov Municipal District of Leningrad Region - Y.B. Kozinov
Balakovo Branch of JSC Apatit	10 August 2020 at 2 pm	Health and fitness center at Balakovo branch of JSC Apatit at: Saratov region, Balakovo district, Bykov Otrog village, proezd Khimikov, 1	Project documentation "Reconstruction of 120 m Exhaust Pipe (EFC-3, CMC) at Wet-Process Phosphoric Acid Production with Dismantling to 88 m and Restoration up to 96 m", including Environmental Impact Assessment (EIA) section	66 participants, public representative - representative of NGO Balakovo and Balakovo Citizens - T.A. Shmeleva
Volkhov Branch of JSC Apatit	14 October 2020 at 4 pm	Volkhov Municipal District Administration at: Leningrad region, Volkhov, Kirovsky pr., 32, off. 215.	Project Documentation (PD) "Division for Receiving, Filtration and Storage of Liquid Sulfur" of the Volkhov Branch of Apatit JSC, including preliminary materials for environmental impact assessment and terms of reference for environmental impact assessment.	31 participant, public representative - Chairman of the Council of Entrepreneurs of Volkhov and Volkhov Municipal District of Leningrad Region - Y.B. Kozinov
Volkhov Branch of JSC Apatit	14 October 2020 at 5 pm	Volkhov Municipal District Administration at: Leningrad region, Volkhov, Kirovsky pr., 32, off. 215.	Design Documentation (PD) "Hydrofluorosilicic acid loading unit" of the Volkhov branch of Apatit JSC, including preliminary materials for environmental impact assessment (EIA) and terms of reference for environmental impact assessment (TOR)	30 participant, public representative - Chairman of the Council of Entrepreneurs of Volkhov and Volkhov Municipal District of Leningrad Region - Y.B. Kozinov
Volkhov Branch of JSC Apatit	17 November 2020 at 5 pm	Volkhov Municipal District Administration at: Leningrad region, Volkhov, Kirovsky pr., 32, off. 215.	The design documentation (DD) of Volkhov Branch of Apatit JSC. Dumping site, including preliminary materials on environmental impact assessments (EIA) and Terms of Reference (ToR) for environmental impact assessments	32 participant, public representative - Chairman of the Council of Entrepreneurs of Volkhov and Volkhov Municipal District of Leningrad Region - Y.B. Kozinov
JSC Apatit	24 November 2020 at 2 pm	JSC Apatit Plant Management Assembly Hall at: Vologda region, Cherepovets, Severnoe Shosse, 75	The draft technical documentation (DTD) for agrochemical "Ammonium sulfate, grades: granular, crystalline" (applicant – Apatit JSC), including materials on environmental impact assessments (EIA) and Terms of Reference (ToR) for EIA	25 participants, public representative – the Chairman of the Public organization – Unified labor organization "FosAgro-Cherepovets" – E.I. Uglova.
Balakovo Branch of JSC Apatit	24 November 2020 at 2 pm	Health and fitness center at Balakovo branch of JSC Apatit at: Saratov region, Balakovo district, Bykov Otrog village, proezd Khimikov, 1	The draft technical documentation (DTD) for agrochemical "Ammonium sulfate, grades: granular, crystalline" (applicant – Apatit JSC), including materials on environmental impact assessments (EIA) and Terms of Reference (ToR) for EIA	35 participants, public representative – the Chairman of the Ukrainian group "Chervona Kamena" – V.I. Primakov.
Balakovo Branch of JSC Apatit	24 November 2020 at 3 pm	Health and fitness center at Balakovo branch of JSC Apatit at: Saratov region, Balakovo district, Bykov Otrog village, proezd Khimikov, 1	The draft technical documentation (DTD) for agrochemical "Ammophos, grade: 10-48, 10-46 (applicant – Apatit JSC)" (applicant – Apatit JSC), including materials on environmental impact assessments (EIA)	37 participants, public representative – the Chairman of the Ukrainian group "Chervona Kamena" – V.I. Primakov.

Volkhov Branch of JSC Apatit	24 November 2020 at 3 pm	Volkhov Municipal District Administration at: Leningrad region, Volkhov, Kirovsky pr., 32, off. 215.	The draft technical documentation (DTD) for agrochemical “Ammophos, grade: 10-48, 10-46 (applicant – Apatit JSC)” (applicant – Apatit JSC), including materials on environmental impact assessments (EIA)	28 participants, public representative – the Deputy Chairman of the Community organization – Primary labor organization “FosAgro-Volkhov” – A.Yu. Zimina.
Balakovo Branch of JSC Apatit	24 November 2020 at 2.30 pm	Health and fitness center at Balakovo branch of JSC Apatit at: Saratov region, Balakovo district, Bykov Otrog village, proezd Khimikov, 1	The draft technical documentation (DTD) for agrochemical “Nitrogen phosphorus sulfur-containing fertilizer, grade: NP+S=14:40+7, NP+S=14:40+7+1Zn” (applicant Apatit JSC), including materials on environmental impact assessment (EIA) and Terms of Reference (ToR) for EIA	37 participants, public representative – the Chairman of the Ukrainian group “Chervona Kamena” – V.I. Primakov.
Volkhov Branch of JSC Apatit	24 November 2020 at 5 pm	Volkhov Municipal District Administration at: Leningrad region, Volkhov, Kirovsky pr., 32, off. 215.	The draft technical documentation (DTD) for agrochemical “Compound fertilizer, grade: 4-12-32+5S, 1-20-20+5S”, including materials on environmental impact assessments (EIA) and Terms of Reference (ToR) for EIA	28 participants, public representative – the Deputy Chairman of the Community organization – Primary labor organization “FosAgro-Volkhov” – A.Yu. Zimina.
Volkhov Branch of JSC Apatit	24 November 2020 at 4 pm	Volkhov Municipal District Administration at: Leningrad region, Volkhov, Kirovsky pr., 32, off. 215.	The draft technical documentation (DTD) for agrochemical “Potassium magnesium fertilizer, premium grade, first grade” (applicant – Apatit JSC), including materials on environmental impact assessments (EIA) and Terms of Reference (ToR) for EIA	28 participants, public representative – the Deputy Chairman of the Community organization – Primary labor organization “FosAgro-Volkhov” – A.Yu. Zimina.
Kirovsk Branch of JSC Apatit	03 December 2020	Public discussion via informational-telecommunication network “Internet”	ToR for environmental impact assessment (hereinafter referred to as EIA) for the capital construction facility: “Kirovsk Branch of Apatit JSC. Western and Eastern Highways to the Gakman section of the Yukspor field”	2 participants, public representative – the representative of the Unified labor organization “FosAgro-Apatit” – M.M. Aksenova.
Kirovsk Branch of JSC Apatit	12 January 2021	Public discussion via informational-telecommunication network “Internet”	ToR for environmental impact assessment (hereinafter referred to as EIA) for the capital construction facility: “Apatit JSC. The Kirovsky mine. Mining apatite-nepheline ore reserves at the Kukisvumchorr field and the Yukspor field by the Kirovsky mine”	2 participants, public representative – the representative of the Unified labor organization “FosAgro-Apatit” – M.M. Aksenova.
Kirovsk Branch of JSC Apatit	19 January 2021 at 11.00 am	Public discussion via informational-telecommunication network “Internet”	ToR for environmental impact assessment (hereinafter referred to as EIA) for the capital construction facility: “Kirovsk Branch of Apatit JSC. ANOF-2. Acid Storage Site”	11 participants, public representative – the representative of the Unified labor organization “FosAgro-Apatit” – A.I. Abakumova.
Kirovsk Branch of JSC Apatit	26 April 2021 at 11.00 am	Apatity City Administration at: Murmansk region, Apatity, Lenina Prospect, 1, the great hall.	The design documentation (DD) for the capital construction facility – the Kirovsk Branch of Apatit JSC. ANOF-2. Acid Storage Site”, including preliminary materials on environmental impact assessments (EIA) and Terms of Reference (ToR) for EIA	28 participants, public representative – the representative of the Unified labor organization “FosAgro-Apatit” – M.M. Aksenova.
Volkhov Branch of JSC Apatit	23 June 2021 at 4.30 pm	Volkhov Municipal District Administration at: Leningrad region, Volkhov, Kirovsky pr., 32, off. 215.	The design documentation (DD) of Metakhim JSC. Railway Infrastructure. 2nd step: Private tracks of the Volkhov Branch of Apatit JSC, including preliminary materials on environmental impact assessments (EIA) and Terms of Reference (ToR) for environmental impact assessments	27 participant, public representative - Chairman of the Council of Entrepreneurs of Volkhov and Volkhov Municipal District of Leningrad Region - Y.B. Kozinov
Volkhov Branch of JSC Apatit	23 June 2021 at 3 pm	Volkhov Municipal District Administration at: Leningrad region, Volkhov, Kirovsky pr., 32, off. 215.	Design documentation (DD) “Modernization of wet-process phosphoric acid production up to 450 thous. t of P2O5 per year”, including preliminary materials on environmental impact assessments (EIA) and Terms of Reference (ToR) for environmental impact assessments	26 participant, public representative - Chairman of the Council of Entrepreneurs of Volkhov and Volkhov Municipal District of Leningrad Region - Y.B. Kozinov
Volkhov Branch of JSC Apatit	23 June 2021 3.30 pm	Volkhov Municipal District Administration at: Leningrad region, Volkhov, Kirovsky pr., 32, off. 215.	Design documentation (DD) “Construction of the process system for production of sulfuric acid with the capacity of 800 thous. t per year”, including preliminary materials on environmental impact assessments (EIA) and Terms of Reference (ToR) for environmental impact assessments	27 participant, public representative - Chairman of the Council of Entrepreneurs of Volkhov and Volkhov Municipal District of Leningrad Region - Y.B. Kozinov

Volkhov Branch of JSC Apatit	23 June 2021 at 4.00 pm	Volkhov Municipal District Administration at: Leningrad region, Volkhov, Kirovsky pr., 32, off. 215.	Design documentation (DD) “Shop site for production of mineral fertilizers with replacement of exhaust pipe”, including preliminary materials on environmental impact assessments (EIA) and Terms of Reference (ToR) for environmental impact assessments	27 participant, public representative - Chairman of the Council of Entrepreneurs of Volkhov and Volkhov Municipal District of Leningrad Region - Y.B. Kozinov
Volkhov Branch of JSC Apatit	23 June 2021 at 5.00 pm	Volkhov Municipal District Administration at: Leningrad region, Volkhov, Kirovsky pr., 32, off. 215.	The design documentation (dd) of Metakhim JSC. Railway Infrastructure. 2nd stage”, including preliminary materials on environmental impact assessments (EIA) and Terms of Reference (ToR) for environmental impact assessments	27 participant, public representative - Chairman of the Council of Entrepreneurs of Volkhov and Volkhov Municipal District of Leningrad Region - Y.B. Kozinov
Kirovsk Branch of JSC Apatit	12 July 2021 at 11.30 am	Kirovsk Municipal Administration at: Murmansk region, Kirovsk, Lenina Prospect, 16, off. 105.	The design documentation (DD) for the capital construction facility: “Apatit JSC. The Kirovsky mine. Mining apatite-nepheline ore reserves at the Kukisvumchorr field and the Yukspor field by the Kirovsky mine”, including preliminary materials on environmental impact assessments (EIA) and Terms of Reference (ToR) for environmental impact assessments	15 participants, public representative – the Chairman of the Shop labor organization of FosAgro-Apatit – E.N .Rasskazov
Kirovsk Branch of JSC Apatit	12 July 2021 at 10.00 am	Kirovsk Municipal Administration at: Murmansk region, Kirovsk, Lenina Prospect, 16, off. 105.	The design documentation (DD) for the capital construction facility: “Apatit JSC. The Rasvumchorr mine. Mining apatite-nepheline ore reserves at the Apatitovy Tsirk (Apatite Cirque) and the Rasvumchorr plateau”, including preliminary materials on environmental impact assessments (EIA) and Terms of Reference (ToR) for environmental impact assessments	15 participants, public representative – the Chairman of the Unified labor organization “FosAgro-Apatit” – E.I. Vedutov.
Kirovsk Branch of JSC Apatit	26 July 2021 at 10.00 am	Public hearings through video conference communication at the online-platform	The design documentation (DD) of the capital construction facility “Mining reserves at the Apatitovy Tsirk and pit reserves of the Rasvumchorr plateau by the Rasvumchorr mine to elev. +310 m. Service opening SO-2 and headgear complex of the SO-2 opening. Adjustment”, including materials on environmental impact assessments (EIA) and Terms of Reference (ToR) for environmental impact assessments	7 participants, public representative – the representative of the Unified labor organization “FosAgro-Apatit” – M.M. Aksenova.
Kirovsk Branch of JSC Apatit	26 July 2021 at 11.30 am	Public hearings through video conference communication at the online-platform	The design documentation (DD) for the capital construction facility: “Apatit JSC. The Rasvumchorr mine. Administrative and amenity complex (AAC), including materials on environmental impact assessments (EIA) and Terms of Reference (ToR) for environmental impact assessments	7 participants, public representative – the representative of the Unified labor organization “FosAgro-Apatit” – M.M. Aksenova.
Volkhov Branch of JSC Apatit	04 August 2021 at 4.30 pm	Volkhov Municipal District Administration at: Leningrad region, Volkhov, Kirovsky pr., 32, off. 215.	Design documentation (DD) “Disposing heat power station with steam turbine unit SST-400 (Siemens) with turbine generator, starting boiler E-75. 3.9-440G, water circulation cycle for heat and power plant of capacity of 5,000 m3/h, chemical water treatment unit”, including preliminary materials on environmental impact assessments (EIA) and Terms of Reference (ToR) for environmental impact assessments	22 participant, public representative - Chairman of the Council of Entrepreneurs of Volkhov and Volkhov Municipal District of Leningrad Region - Y.B. Kozinov
JSC Apatit	18 August 2021	Public hearings through the electronic questionnaires	The design documentation (DD) “Plant for extraction of ammonia from residual and flash gases”, including materials on environmental impact assessments (EIA) and Terms of Reference (ToR) for EIA	126 participants, public representative – the representative of the Community organization – Unified labor organization “FosAgro-Cherepovets” – S.A. Osipovskaya.

Kirovsk Branch of JSC Apatit	15 November 2021 at 11.00 am	Apatity City Administration at: Murmansk region, Apatity, Lenina Prospect, 1, the great hall.	Design documentation for the "AVIATION FUELS AND LUBRICANTS WAREHOUSE AT THE APATITY (Khibiny) Airport", including preliminary environmental impact assessment materials	14 participants, public representative - representative of the Joint Primary Trade Union Organization "Russian Chemical Workers Union" - Chaus A.V.
JSC Apatit	27 January 2022 at 2.00 pm	JSC Apatit Plant Management Assembly Hall at: Vologda region, Cherepovets, Severnoe Shosse, 75	Draft technical documentation for the "Urea grade B" agrochemical, including preliminary environmental impact assessment materials	15 participants, public representative - representative of the Community organization – Unified labor organization "PhosAgro-Cherepovets" - Dolganova N.L.
JSC Apatit	03 March 2022 to 01 April 2022	Public discussions in the form of a survey	Draft technical documentation for the "Water-soluble monoammonium phosphate, premium and first grade" agrochemical, including preliminary environmental impact assessment materials	2 survey sheets containing an opinion on the subject of the survey
JSC Apatit	03 March 2022 to 01 April 2022	Public discussions in the form of a survey	Draft technical documentation for the "Nitrogen-phosphorus-potassium sulfur-containing fertilizer grade NPK(S) 9-22-29(2)" agrochemical, including preliminary environmental impact assessment materials	3 survey sheets containing an opinion on the subject of the survey
JSC Apatit	03 March 2022 to 01 April 2022	Public discussions in the form of a survey	Draft technical documentation for the "Nitrogen-phosphorus-potassium sulfur-containing fertilizer grades NPK(S) 12-15-21(8), NPK(S) 16-16-8(11), NPK(S) 8-24-24(3), diamphoska NPK(S) 10-26-26(1), diamphoska NPK(S) 9-25-25(1)" agrochemicals, including preliminary environmental impact assessment materials	4 survey sheets containing an opinion on the subject of the survey
JSC Apatit	03 March 2022 to 01 April 2022	Public discussions in the form of a survey	Draft technical documentation for the "Nitrogen-phosphorus sulfur-containing fertilizer grades NP+S=16:20+12, NP+S=16:20+14" agrochemicals, including preliminary environmental impact assessment materials	2 survey sheets containing an opinion on the subject of the survey
JSC Apatit	03 March 2022 to 01 April 2022	Public discussions in the form of a survey	Draft technical documentation for the "Phosphogypsum for Agriculture" agrochemical, including preliminary environmental impact assessment materials	5 survey sheets containing an opinion on the subject of the survey
JSC Apatit	05 May 2022 to 03 June 2022	Public discussions in the form of a survey	Draft technical documentation for the "Urea with an inhibitory additive" agrochemical, including preliminary environmental impact assessment materials	2 survey sheets containing an opinion on the subject of the survey
Kirovsk Branch of JSC Apatit	21 June 2022 to 20 July 2022	Public discussions in the form of a survey	Design documentation for the "Mining reserves at the Apatitovyi Tsirk and pit reserves of the Rasvumchorr plateau by the Rasvumchorr mine to elev. +310 m. Service opening SO-2 and headgear complex of the SO-2 opening. Adjustment", including preliminary environmental impact assessment materials	2 survey sheets containing an opinion on the subject of the survey
JSC Apatit	05 July 2022 to 03 August 2022	Public discussions in the form of a survey	Design documentation (DD) for the "Plant for extraction of ammonia from residual and flash gases", including environmental impact assessment (EIA) materials and terms of reference (TOR) for the EIA"	2 survey sheets containing an opinion on the subject of the survey
Kirovsk Branch of JSC Apatit	22 August 2022 to 20 September 2022	Public discussions in the form of a survey	Design documentation for the "Kirovsk. Construction of the second railway line of the section Wudyavr station - Vostochnaya station", including preliminary environmental impact assessment materials	2 survey sheets containing an opinion on the subject of the survey
Volkhov Branch of JSC Apatit	12 September 2022 to 11 October 2022	Public discussions in the form of a survey	Design documentation for the "Reconstruction of the neutralization station. Production of water-soluble monoammonium phosphate at a capacity of 43.5 thousand tons per year", including preliminary environmental impact assessment materials	28 survey sheets containing an opinion on the subject of the survey

Kirovsk Branch of JSC Apatit	13 September 2022 to 12 October 2022	Public discussions in the form of a survey	Design documentation “Kirovsk Branch of JSC Apatit” Complex of facilities for the diversion of the Gakman River”, including preliminary environmental impact assessment materials	2 survey sheets containing an opinion on the subject of the survey
